

# Heart of Gold

**THE LAS VEGAS FARM** a local animal sanctuary needs human alliances to give kindred souls another chance in life. That is what Sharon & Glenn the owners of **THE FARM** do for the animals that they rescue, giving them a 2nd chance in life, and a place for them to bond with caring humans that love animals. **CATFISH JOHN, FLUX, JESSICA MANALO, COMMUNITY RODUCTIONS, & THE LAS VEGAS FARM** have joined forces creating **THE HEART OF GOLD BENEFIT**. Please come join us for music, food, drink, prizes, and a tour with the animals! All proceeds from this Benefit will help animals in need and keep them where they belong in a loving place at **THE FARM**.

# BARN BUDDIES RESCUE

Every animal at **THE LAS VEGAS FARM** has a story of abuse, neglect, or a unfortunate event that was beyond their control. Sharon is always willing to help a animal in need bringing them to her safe haven where they can begin a new life full of love and happiness. We need help from you and the Vegas community to keep this dream alive for the animals. 100% of all proceeds goes back into **THE FARM** and to the animals that need your help.
